501	Satin
502	Lustre
502	Matte
503	Gloss

DuraLAM+ 3.2mil PSA laminates are suitable for indoor and outdoor use up to three years. With a clear water-based adhesive, the laminate is high tack, fast bonding and highly discoloration resistant. Heat is not required to use the DuraLAM+ laminates but a 110* heat enables faster throughput speeds.
